years ago, after suffering to years, I was unable to walk only with great aid having tried various including mineral waters. I saw in an advertisement in a Chicago paper that a man had cured of this distressing common suffering, by taking Ayer's Sarsaparilla. I bought of this medicine, and took for eight months. I am now that it effected a complete cure. I have since had no disease.

year ago I was taken ill with, being confined to my bed with the disease. I was much debilitated, with no my system disordered in commenced to use Ayer's and began to improve at
